Sensory skill Development

SIMPLE WAYS FOR PARENTS TO ENGAGE WITH THE LEARNING OF THEIR CHILDREN AT HOME

Engage in play-based activities with your children, linking the classroom to real life. Puzzles, word associations and other mindful activities

Read to your child & Make your child read aloud along with you

Talk to your child. Ask them open-ended questions. Tell them stories and engage in healthy discussions.

Develop life skills by engaging children in chores like cooking, cleaning, gardening, washing, taking care of animals at home etc.

Allow children to learn by exploring. Support their hobbies and interests. Kids can also learn from their peers

Set learning goals, manage time, and track their progress. Motivate them and cultivate an interest in learning
